## Competences

Business Administration and Management

- Capacity for oral and written communication in Catalan, Spanish and English, which enables synthesis and oral and written presentation of the work carried out.
- Demonstrate a capacity for integration within a work environment and apply the skills and competencies acquired during the degree course.
- Demonstrate initiative and work individually when the situation requires it.
- Organise the work in terms of good time management, organisation and planning.
- Select and generate the information necessary for each problem, analyse it and take decisions based on that information.
- Show motivation for carrying out quality work and sensitivity to the consequences for the environment and society.
- Value ethical commitment in professional practice.
- Work well in a team, being able to argue proposals and validate or reject the arguments of others in a reasoned manner.

## Learning Outcomes

1. A capacity of oral and written communication in Catalan, Spanish and English, which allows them to summarise and present the work conducted both orally and in writing.
2. Assess ethical commitment in professional activity.
3. Demonstrate initiative and work independently when required.
4. Demonstrate motivation regarding the quality of the work performed and sensitivity regarding the consequences on the environment and society.
5. Demonstrate the ability to integrate into a work setting, and to apply the skills and competencies acquired in the degree.
6. Organise work, in terms of good time management and organisation and planning.
7. Select and generate the information needed for each problem, analyse it and make decisions based on this information.
8. Work as part of a team and be able to argue own proposals and validate or refuse the arguments of others in a reasonable manner.
