## HANYANG UNIVERSITY(HYU)

Hanyang University is the successor of DongA Polytechnic Institute, which was established in 1939, the first engineering college in Korea. In 1959, the institute became a comprehensive university.

To continue the momentum of progress, Hanyang University has been striving to promote internationalization and consequently, more than 1,000 courses instructed in English per semester by 150 foreign professors are now available.

Also, efforts such as these have allowed Hanyang to recruit about 4,800 international students, and the University also has formal relations with over 500 universities around the world.
