PLEASE NOTE:

- Application forms can only be accessed during the dates given above. Applications by exchange students for admission to the UAB will only be accepted during these dates.

- On-line application forms are processed in strict accordance with the information given by sending institutions. This means that the only applications that will be considered are those for applicants who have been formally nominated by our partner universities and institutions.

Once all the application forms have been checked against the information sent by our partner universities, students will receive an e-mail confirming admission as an exchange student and information about their future stay at the UAB.

2.2 REGISTRATION OF SUBJECTS

Please check the information about the registration of the subjects:

First semester: Enrolment guidelines for incoming Exchange students 2017/2018

Second semester: Enrolment guidelines for incoming Exchange students SECOND SEMESTER 2017/2018
2.3 SPECIFICITIES FOR SOME SUBJECTS

- Yearly (Anual) classes. Exchange students that will stay in the UAB only in the first semester or only in the second semester CAN NOT register annual subjects (except for the subjects “101283 Idioma Català per a traductors i intèrprets 1” and “101284 Idioma Castellà per a traductors i interprets 1” that have groups for just one semester which will be awarded each with 4,5 ECTS).

- Spanish language classes for exchange students. This course is specifically designed for students studying Spanish as a foreign language, and there are different groups / levels. During the enrolment period, students who wish to take this subject must enrol it. During the first week of class, exchange students must first take a test to determine their Spanish level and the group in which they have to attend the lessons. Afterwards, once the lecturer has assigned a group, Gestió Acadèmica will change the group in the enrolment form of the student.

- Catalan language classes for exchange students. If you are studying during the second semester only and wish to attend the Catalan language course, please ensure that you enrol in the group for international students attending just for the second term.

- Students willing to enrol any of the subjects of language C of the first course (“Idioma C per a traductors i interprets 1 and/or 2”) must take into account that there are limited places available for exchange students in C-language subjects. Whether you can register for these will depend on availability at the time of enrolment. Priority is given to exchange students who are required to study this language as part of their undergraduate degree in their home university. If this is your case (you want to enrol C1 and C2 subjects), you will need to provide proof with all the documents you need to enrol in our faculty (a document written by your home university in which it explains that you must do this subject in our faculty because it is in your study plan in your home university).

- Modules belonging to the Master of Traducció, Interpretació i Estudis Interculturals cannot be enrolled unless the student has the approval of the coordinator of the master.
3. ONCE YOU ARRIVE AT UAB

3.1 REGISTRATION IN THE INTERNATIONAL WELCOME POINT (IWP)

Once you have arrived at the UAB, you have to go to the International Welcome Point (IWP) in the Plaça Cívica to register your arrival at UAB and collect your international student card. At the IWP you will find the following services:

- a. International UAB student card – this identifies you as a UAB student.
- b. Information about the UAB.
- c. Information about accommodation.
- d. Practical information about life in Barcelona and its surrounding area (transport, student discounts etc.).
- e. Help solving your problems during your stay with us.
- f. Visas.

International Welcome Point (IWP) contact details:
Campus de Bellaterra-Plaça Cívica
Tel. + 34 93 581 22 10
Fax + 34 93 586 80 25
E-mail: international.welcome.point@uab.cat

Please bear in mind that before your enrolment in our faculty it is necessary to be registered as international students in our International Welcome Point.

3.2 RESIDENCE LEGALIZATION PROCESS FOR EXCHANGE STUDENTS

- European students: you must process your NIE if your stay in the UAB is longer than three months. In order to process your NIE, you must go to the police offices with the arrival certificate issued by the International Welcome Point or with the copy of your enrolment (once you have registered in the Gestió Acadèmica).

- Non-european students: you must go to the International Welcome Point where you will find the assistance of the staff to do this process.

3.3 REGISTRATION IN THE FACULTY OF TRANSLATION AND INTERPRETING

Please check the information for the registration of subjects:

First semester: Enrolment guidelines for incoming Exchange students 2017/2018
Second semester: Enrolment guidelines for incoming Exchange students SECOND SEMESTER 2017/2018
3.4 ARRIVAL STATEMENT

Your arrival certificate needs to be signed by your Faculty academic coordinator (see page 3). See your academic coordinator during her/his office hours. Alternatively you can leave your arrival certificate at Gestió Acadèmica, who will pass it on to the corresponding coordinator.

3.5 CHANGES TO THE ORIGINAL ENROLMENT (MODIFICACIÓN DE MATRÍCULA)

Please check the information for the registration of subjects:

First semester: Enrolment guidelines for incoming Exchange students 2017/2018

Second semester: Enrolment guidelines for incoming Exchange students SECOND SEMESTER 2017/2018

3.6 ACCES TO THE E-MAIL OF THE UAB/VIRTUAL CAMPUS

The access to the Virtual Campus and to your e-mail account of the UAB is on the website of the UAB: www.uab.cat > Estudiants > Intranet i campus virtual

In order to connect, you have to introduce your NIU and your password (the same you introduced when you registered for the first time in the UAB). If you have forgotten your password, you can generate it again in the following website: sia.uab.cat > Gestió de paraules de pas.

3.7 LEARNING AGREEMENT

Academic coordinators check and sign student’s learning agreements. Therefore, you must ask your academic coordinator to sign it. Afterwards, you have to make an appointment to come to the Gestió Acadèmica in order to get the document stamped.

3.8 EXTENDING THE STUDY ABROAD PERIOD

Any exchange student wishing to apply for an extension to their stay at the UAB should submit the corresponding form (that is on the following) with a confirmation e-mail from their home university to the Faculty Gestió Acadèmica before December 1st 2017. Therefore, you must first inform your home university coordinator first and then Gestió Acadèmica - intercanvis.fti@uab.cat.

The UAB operates the following policy regarding requests by exchange students to extend their study period beyond that originally agreed by both institutions. To be considered there must be a currently unfilled place available according to the bilateral agreement with the exchange student’s home university. If there is a place available, then the final decision is at the discretion of the corresponding academic Faculty Coordinator (currently, Roland Pearson for SICUE, Erasmus and UAB Exchange Programme), which will be based on the individual merits of each request.

The form for the extending study abroad period is in the next page:

4. ONCE YOU FINISH YOUR STAY AT THE UAB

4.1 ATTENDANCE STATEMENT

Once your stay at UAB is about to finish, you have to ask your coordinator to fill your attendance statement. If you can’t contact him/her, you can leave the document in Gestió Acadèmica who will pass it on to the corresponding coordinator. UAB can sign this attendance statement the week before you leave (we can’t sign it before that week).

4.2 TRANSSCRIPT OF RECORDS

When the semester or the course has finished and student final marks recorded by the lecturer, the Faculty Administrative Office (Gestió Acadèmica) will send these directly to the student’s home university. These are sent at the end of March for students attending only 1st-semester classes and from July 20th onwards for students studying the entire academic year or only the 2nd semester.

GRADING SYSTEM

The UAB uses a 0-10 grade scale (10 being the highest mark). The following table gives equivalents for partner universities using a letter grade system:
