

Consult some indications that may be useful for you to pre-register online:

A) What to do if you have taken a master's degree in Spain and you do not find it in the list of masters that are listed in the university where you studied it?

If you have a master's degree (official) in a Spanish university and when you indicate the university does not appear in the list of masters, you can indicate as follow:
Considerations for filling in personal information

- Choose the option "Master obtained outside Spain".
- In the country selection popup screen, enter "Spain" and search for the university (you can use * to facilitate the search, for example: * Rioja *).
- In the field of studies indicate the name of the studies you have taken (for example: "Master in Information Technology")

B) What to do if you do not find the foreign university in the list of the country where you have studied? You must select, provisionally, another university in the country and in the remarks field of the application form indicate the name of the university where you obtained your degree. Also send an email to ed.admisiones@uab.cat to request the registration of your university. Once the registration is done, the Doctoral School will make the change in your application

C) Considerations for filling in personal data:

- In the institutional e-mail section, if you do not have it indicated, you must add your personal e-mail address.
- As for the addresses, you have to include both, the usual one and the one during the course. If you do not already know the latter, you must indicate the same address that you have indicated in the usual address.
- Regarding the postal code of birth, if you were born in a Spanish town that has more than one code, you can indicate any of them. If the town of birth is a foreign town, you must enter the code 99999 and the description of the town.

G) If you attach the documentation according to what is indicated in this information:

See what documentation and how to attach it, you will not have to submit the documentation for enrolment. If you do not attach it as indicated and your admission has been resolved, you must submit it before you can self-enrol.

H). Language of the documentation. Documentation may be submitted in Catalan, Spanish or English. Documentation issued in French, Italian or Portuguese can be translated by the [Language Service of the UAB](#). The interested party must be responsible for this procedure and the costs involved. Documentation issued in other languages must be accompanied by the corresponding translation into Catalan, Spanish or English, carried out by a [sworn translator](#), by any diplomatic or consular representation of the Spanish State abroad or by the diplomatic or consular representation in Spain of the applicant's country of nationality.

I). Documentation of previous foreign studies, it must be legalized if it is from countries outside the EU. To legalize the documentation that accredits the foreign studies, it is necessary to follow the procedure detailed in the section '[Legalizations](#)'.

J). Remember to attach the document “[Endorsement/Acceptance of direction and tutoring](#)” to the application. See point 4 of the section steps to follow to apply on line.
