

**CYCLE
OF
LECTURES
2025-2026**

**Department of
Chemistry**

This lecture is part of the activities organised for PhD students. Attendance is recommended.

Students enrolled up to the 2024/25 academic year must attend at least 60% of the lectures organized during the academic year.

Students enrolled from the 2025/26 academic year onwards are required to complete 20 hours of seminars and lectures throughout their doctoral studies.

15th of Juny 2026 at 11:30 h
