1. GREEN AND HEALTHY SOCIAL INCLUSION OF THE ROMA COMMUNITY – ZZ ROM

The ZZ ROM programme is an information and counselling programme, cofinanced by the Ministry of Labour, Family, Social Affairs and Equal Opportunities, founded on the basis of the Strategy for development of the Roma community in the Pomurje region until 2020.

The programme seeks to inform target audiences of the importance of health care and promotes healthy lifestyles through work with individuals and workshops. It also aims at empowering users through the realisation that they themselves have control over the situation.

The ZZ Rom programme offers a support network in green job creation. With this goal in mind, a demonstrative Miscanthus

	<p>plantation was set up, informing users of this fast-growing plant and possibilities for its widespread use in the proximity of areas populated by the Roma community and related prospects for green job creation.</p> <p>Programme objectives:</p> <p>The main goal of the programme is to contribute to the underlying aims of the strategic document, which is to ensure a higher quality lifestyle for the Roma population in the Pomurje region. It is focused primarily on promotion of health and improving prospects in areas of employment and entrepreneurship.</p> <p>The programme is intended for:</p> <p>the entire Roma population of the Pomurje region – children, young people, families and adults interested in health improvement, employment and entrepreneurial possibilities and green job creation.</p>
