4th Resolution (November 6, 2026), which allocates Erasmus+ KA171 2024 grants for incoming students mobility from third countries not associated to the Programme

Once the fourth resolution of the selection process established in the **Call for Applications for Erasmus+ KA171 2024 grants for incoming students from third countries not associated to the Programme** (mobilities during the 2025-2026, 2026-2027 academic years, always before 31st July 2027) has been completed.

I HEREBY RESOLVE:

First**.** To provisionally award the grants financed by the European Commission to the students from partner countries listed in the annex to this decision, in accordance with the criteria set out in the Call for Applications approved by the Commission for International Relations and Language Policy on 3 April 2025.

Second. Pursuant to section 10 of the Call, and given the lack of applications in the outgoing student category for Regions 1, 3 and 9, the Selection Committee has decided to reallocate the available grants to the incoming student category. This redistribution is carried out in accordance with the provisions of the Call, which establish that, in the event of insufficient applications and/or available budget, the Selection Committee reserves the right to redistribute grants across student and staff categories and between IN and OUT flows within the same country or region.

Third. The final award of these grants will not occur until the student is effectively registered at the Universitat Autònoma de Barcelona and has completed all the procedures required in accordance with the conditions of the call.

Fourth**.** Mobilities and grants shall be subject to any regulations and restrictions that may be issued by the competent authorities in relation to unforeseen and/or emergency situations that may arise.
