Exchange Programmes

UAB
Universitat Autònoma
de Barcelona
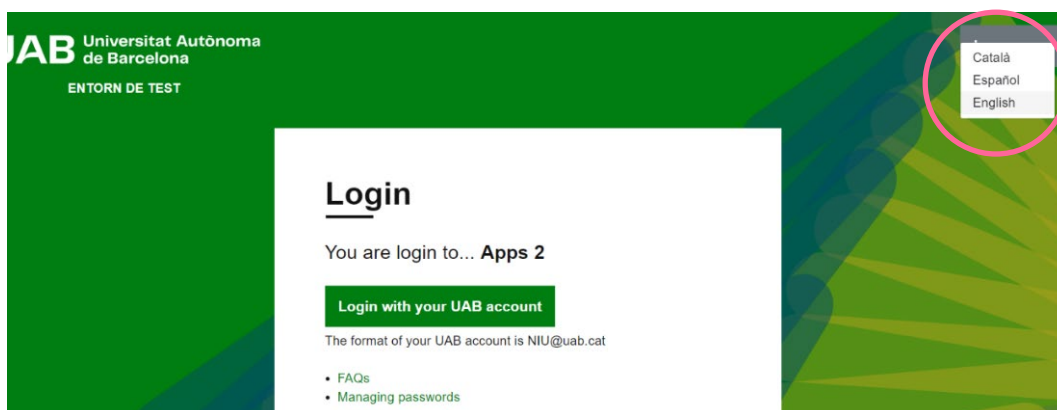

OPTION 2. COURSE SELECTION FROM OTHER FACULTIES

This application is only available for selecting subjects taught by the following faculties:

- **FACULTY OF POLITICAL SCIENCE AND SOCIOLOGY**
- **FACULTY OF COMMUNICATION STUDIES**
- **FACULTY OF ECONOMICS AND BUSINESS STUDIES**
- **FACULTY OF ARTS AND HUMANITIES**
- **FACULTY OF PSYCHOLOGY**
- **FACULTY OF TRANSLATION AND INTERPRETING**

If you do not wish to take any subjects from these centers, you do not need to access this application. Your center will provide guidance on how to proceed.

ACCESSING THE APPLICATION

1. Visit https://apps2.uab.cat/enrollment/, and log in using your student number (NIU) in the format NIU@uab.cat, along with the password you received when applying for admission to UAB. If you have forgotten your password, you can generate a new one on the UAB password management page.

2. It will ask for a phone number to receive an access code, which you will need to provide in order to complete your identification.

3. You can also select your preferred language.

WHEN YOU CAN CONNECT TO THE SYSTEM

There will be a limited connection period, which your center will have informed you about. In any case, you will not be authorized to make any selections until you have arrived at the UAB.

STEPS TO FOLLOW

You must complete the following steps according to the periods indicated:

1. Upload the required documents.

2. Select subjects specific to your center.
3. Print or download the generated document.

Upload the documentation required by the relevant faculty to the system within the specified deadline (e.g., B1 Spanish/B2 English...). On the previous page, you will find the websites and requirements of each faculty.

Files must be in PDF format and must not exceed 1 MB each. The following screen shows the area where you must upload them

Once your documents have been validated, you can proceed with the subject selection. From this moment on, <u>there will be no possibility to upload any new documents or modify existing ones</u>.

2. Selection of courses

Keep in mind that you can only select and enroll in subjects that have available slots at the time you connect, regardless of the offer published on the website.

Choose courses according to the language you are interested in, as not all subjects are taught in every language.

You can consult the program for each subject by selecting the subject code, unless your center has provided a different link.

Choose subjects based on the language and schedule that interest you (in some cases, different options may be available) and check the corresponding box in the selection column.

You cannot select courses with no vacant places (the selection box is not displayed).

Once you have selected all your subjects, click the "select" button.

Your selection will be displayed in a table above, confirming your admission to the chosen subjects. In an error occurs, you can mark the subject and click 'Delete'.

3. Print or download the generated document

Finally, click the "Print" button to obtain the document confirming your subjects. Be sure to save it, as it may be required during your stay.
