

1. General regulations

- a.* The purpose of these calls is to select new temporary teaching and research staff to join the UAB departments as employees in the 2017-2018 academic year, in the following categories:
- I. Pre-doctoral trainee researchers (PIF).
 - II. Post-doctoral researchers.
 - III. Adjunct lecturers.
- b.* Teaching and research staff with valid contracts for the 2016-2017 academic year do not need to apply to this call in order to renew their contracts.
- c.* The resolution on the adjudication of the positions offered includes a list of the admitted candidatures in ranked order for each position or group of positions offered. This list shall be used to hire persons whose candidatures have been approved, in ranked order, to cover any unexpected needs that arise during the 2017-2018 academic year.
- d.* This recruitment process is governed pursuant to:
- I. Organic Law 6/2001, of 21 December, on Universities (LOU) and Organic Law 4/2007, of 12 April, which modifies Organic Law 6/2001, of 21 December, on Universities (LOMLOU);
 - II. Law 1/2003, of 19 February, on universities in Catalonia;
 - III. Law 14/2011, of 01 June, on science, technology and innovation;
 - IV. The Collective Bargaining Agreement for teaching and research staff at Catalan public universities;
 - V. The Statutes of the Universitat Autònoma de Barcelona approved by Decree 237/2003, of 08 October, of the Government of Catalonia (Generalitat de Catalunya);
 - VI. The Regulation on academic staff approved by agreement of the Board of Governors of the Universitat Autònoma de Barcelona on 17 November 2010 and modified on several occasions, the latter of which was on 01 December 2016;
 - VII. All other applicable legislation.
- e.* The list of positions offered is that shown in appendix 1 of these regulations.

2. Elements of contracts

a. Pre-doctoral trainee researcher contract

- I. Purpose: development of research work, in the field of a specific project, and support-teaching work, with the purpose of undertaking a doctoral thesis.
- II. Duration: a maximum of three years from the date of incorporation. An annual assessment is conducted by means of a report by the doctoral programme's academic committee that, should it be unfavourable, may imply termination of the contract. Obtainment of a doctoral certificate before the end of the contract period may imply termination of the same.
- III. Timetable: 37.5 hours a week.
- IV. Gross monthly salary (12 payments): €1,211.29 for the year 2017.
- V. Type of contract: Pre-doctoral contract (article 21 of Law 14/2011, of 01 June, on science, technology and innovation).

b. Post-doctoral researcher contract

- I. Purpose: development of research and teaching work, in the initial phase of a postdoctoral course.
- II. Duration: one year, renewable each year up to a maximum of five years.
- III. Timetable: 37.5 hours a week.
- IV. Gross monthly salary (14 payments): €1,430.87 for the year 2017.
- V. Type of contract: internship contract (article 11 of RDL 2/2015, of 23 October, which approves the revised text of the Law on the Workers' Statute).

c. Adjunct lecturer contract

- I. Purpose: development of teaching work.
- II. Duration: half-yearly or yearly.
- III. Timetable and salary: part-time with a salary proportional to the number of hours worked.
- IV. Type of contract: Adjunct lecturer contract (article 53 of Organic Law 6/2001, of 21 December, on universities).

3. Requirements

a. General requirements

- I. To be of the minimum required age pursuant to applicable law, and not to be retired.
- II. To be free from any illness or from being affected by any physical and/or mental limitation that might be incompatible with the corresponding functions.
- III. Not to be excluded from the services of any public administration by resolution of a disciplinary inquiry, or be disqualified by final sentence from serving public functions.
- IV. To hold work and residency permits prior to the signature of the corresponding contracts, in the case of non-EU foreign citizens or persons that cannot be included in the area of application of international treaties established by the EU and ratified by Spain.

b. Specific requirements

— For Pre-doctoral trainee research personnel

1. To show compliance with the legally established requirements for access to a doctoral programme. Before signing the contract, beneficiaries must have been admitted onto a UAB doctoral programme, and must provide the enrolment form within a maximum period of two months from the date on which the contract is signed. If not provided, the contract shall automatically be terminated.
2. To have not already been awarded a doctoral degree.

— For Post-doctoral researchers

1. To have been awarded a doctoral degree.
2. If the doctoral degree was not issued by a Spanish university or is not recognised in the country, this doctoral degree must be officially recognised as being equal to the equivalent Spanish degrees before signing the contract.

— For Adjunct lecturers

1. To be a specialist of recognised competence in the field of the position being offered.

2. To show that he/she is employed outside the university academic environment or that he/she has been employed in such a manner for a minimum of two of the last four years.

4. Applications

- a. All persons interested in taking part in the recruitment process corresponding to these calls must complete the online application form designated for this purpose and available for download from the UAB website.
- b. The deadline for presenting applications is ten working days from the day after the publication of this call on the University e-services portal, which shall be 02 May 2017. The deadline shall therefore be 16 May 2017.
- c. Persons applying for more than one position must present a separate application for each position.
- d. Candidates must attach the following to the electronic form, in PDF format:
 - I. Application to participate in accordance with the model form attached in appendix 3 and that, by default, must be signed digitally, unless this is not possible due to exceptional circumstance, in which case the application must also be formally presented to the UAB General Register (Registre General).
 - II. Identity document.
 - III. Full curriculum vitae, in free format.
 - IV. In the case of Pre-doctoral trainee research personnel, the grade-weighted academic transcript for degree or master's degree courses, if applicable.

During the selection procedure, departments may require further documents and/or information from applicants in order to adequately assess their candidatures.

5. Selection

a. Admission of candidates

- I. Following the deadline for presenting applications, the departments shall announce, to the Vice Rector for Academic Staff, the provisional lists of persons admitted and excluded, including motives for exclusion, for publication on the University e-services portal, indicating the publication date of the definitive list of admitted persons.

- II. Candidates shall have a period of ten working days from the day after that of publication of the provisional lists, to present any claims or appeals for the amendment of any motives for exclusion.
- III. The University administration may amend at any time, ex officio or at the behest of the interested party, any material, factual or arithmetical errors that may have arisen during the procedure.
- IV. Should excluded persons fail, within the allocated period, to amend any errors that have caused exclusion, their appeal shall thereby be considered rejected and their exclusion shall be deemed definitive.
- V. Publication of the definitive lists shall take place on the dates indicated in the provisional lists and by the same means, and on the UAB website.
- VI. Pursuant to article 45 of Law 39/2015, of 01 October, on the common administrative procedure of public administrations, disclosure of the resolution by the aforesaid means shall suffice to consider that all interested persons have been suitably notified, whereupon the period for possible claims or appeals shall commence.

b. Selection boards

- I. These boards shall be formed by three lecturers each holding a Ph.D., and three substitutes shall also be appointed. The list of board members is that shown in appendix 2 of this call.
- II. The regulations for the internal operations of the board must be pursuant to Law 26/2010, of 03 August, on the legal system and procedures of public administrations in Catalonia.

c. Selection procedure

- I. For every place offered, the selection board must assess a minimum of five of the following criteria, or any others that it considers convenient:
 1. Academic transcripts
 2. Master's degrees completed
 3. Professional experience
 4. Research
 5. Publications
 6. Reports presented at conferences

7. Congresses/academic conferences
 8. Knowledge of languages
 9. Interview
 10. Teaching experience within the field of the position on offer
- II. Once each applicant has been assessed, and in accordance with the profiles and their needs, the board shall produce a personal-assessment report for each candidate and a list of the candidates in order of priority, in accordance with the established selection criteria, and shall formulate its proposal for the hire of the highest ranked candidate. If no applicant is considered suitable, the recruitment process shall be declared void.
- III. Should a candidate for more than one position be allocated more than one position, this person must choose one position only before the date set for resolution of the recruitment process by providing the appropriate documents to the chosen department, thereby relinquishing any other adjudicated positions.
- IV. Persons that have been allocated positions may refuse to sign the contract. At all events, candidates that do not supply the required documents to the department under the terms stipulated in the resolution of the call, without justified cause, shall be considered to have relinquished the allocated position.

6. Resolution of the recruitment process and signing of contracts

- a.* The selection board shall report its proposal, as described in the previous regulation, to the rector, who shall announce the corresponding resolution approving the list of candidates in order of priority admitted for each position and the adjudication of the highest ranked person, who must sign the corresponding contract within the period established in the resolution of adjudication. Should the highest ranked candidate relinquish the position, the following person in the list shall be offered the contract for signing, and so on successively.
- b.* In order to sign contracts, successful candidates must present, to the corresponding departments, the documents showing compliance with the requirements for each category, as well as those required to sign the contract under the terms established in the resolution of the recruitment process.

- c. In the event of relinquishing the position after signing the contract, the UAB may choose to either offer the contract to the next candidate in the corresponding list, or leave the position vacant.
- d. In order to facilitate the signing procedure and to make the process more efficient, contracts must, by default, be signed digitally. Should any exceptional circumstance mean that it is impossible for this to be done digitally, each case shall be assessed separately.

7. Rights and obligations

- a. Teaching and research staff selected by means of this call hold all rights and obligations pursuant to applicable legislation on occupational matters, and most especially the Collective Bargaining Agreement for teaching and research staff at Catalan public universities, the Statutes of the UAB, the Regulation on academic staff at the UAB, and the UAB's own regulations on academic employment and research activity corresponding to each of the categories that are the considered within this call.
- b. Pre-doctoral trainee researchers that are hired by means of this call do not need to pay the UAB any public enrolment fees for official doctoral programmes or for tutoring of doctoral theses.
