

Agreements reached:

The Committee members have agreed to send their individual evaluation reports until 19 May 2023. The Secretary of the Committee will then summarize the scores and send the summary to each member of the Committee. They will have a new meeting on 24 May 2023, at 09:00 to discuss the adequateness of the average scores and propose the candidates that reach round 2. The ponderation of CV data will be the following: Research 60%, Teaching 30% and Others 10%.

All the documentation produced during the first round of the selection process must be kept, and subsequently signed when the members of the Committee appear in person during the second round.
