

# Appeals

Students wishing to appeal the selection decision must submit a duly argued letter within one week from the date of the official notification (see admissions calendar). No late appeal will be considered.

Before submitting an appeal, ensure that your request is reasonable. The MorphoPHEN Students Selection Committee considers a large number of applications and strives to make decisions that are as equitable as possible.

The appeal should be addressed to the following email address: **coordinacio.master.morphophen@uab.cat**. The email subject heading should include “**MorphoPHEN appeal**” and the **candidate’s full name**.

The MorphoPHEN Students Selection Committee will receive your appeal and prepare a response. The student will receive written notice of the result of the appeal within 7 days of submitting it. The MorphoPHEN Students Selection Committee’s decision after an appeal is final and cannot be challenged further.
