Short Bio

David Urbano is a Professor of Entrepreneurship, Vice Dean of Entrepreneurship and Internationalization, and PhD Program Director, International Doctorate in Entrepreneurship and Management (iDEM) at the School of Economics and Business, Universitat Autònoma de Barcelona (UAB). He holds a PhD (European Doctoral Programme in Entrepreneurship and Small Business Management, UAB / Växjö University - Sweden), a MSc in Social and Cultural Anthropology (UAB) and a BA in Economics (UAB). He is a Visiting Researcher at the Institute for Business Innovation (Haas School of Business, University of California Berkeley).

David's research is mainly focused on the conditioning factors to entrepreneurship in different contexts using the institutional approach as theoretical framework, and combining quantitative and qualitative methodologies. He has several scholarly international publications in this field (*Entrepreneurship and Regional Development*, *International Small Business Journal*, *Journal of Technology Transfer*, *Journal of Small Business Management*, *Research Policy*, *Small Business Economics*, *Technological Forecasting and Social Change*, etc.) and he has presented his work in many international conferences (AOM, Babson, GEM, ICSB, RENT, T2S, etc.).

He is currently participating in various international research projects (Global Entrepreneurship Monitor, GEM; Panel Study of entrepreneurial dynamics, PSED; Global University Entrepreneurial Spirit Students' Survey, GUESSS; Observatory for university entrepreneurship in Spain), and he is co-principal investigator and fellow researcher in the projects "Dynamic capabilities and institutions as determinants of international entrepreneurship" (Spanish Ministry of Economy & Competitiveness) and "Evaluating organizations" (Economy & Knowledge Department -Catalan Government-), respectively. He is author/co-author of many books (for example: "New firm creation in Catalonia: support measures and attitudes towards entrepreneurship", "Invitation to entrepreneurship: A new firm formation approach", "The entrepreneurial universities in the knowledge economy" and "Entrepreneurial universities: Technology and knowledge transfer"). Also, David has been editor of various special issues in referred international journals and he is member of the editorial board of several academic journals, serving as well as a reviewer. Also, he regularly participates as an expert for the Spanish Agency of Evaluation and Prospective -ANEP- (Spanish Ministry of Economy & Competitiveness) and for the European Union (EU Research and Innovation Programme).

David is teaching entrepreneurship courses at the undergraduate, master and doctoral level at the UAB and other universities. Also, he has been visiting scholar at several universities (University of California Berkeley -US-, The University of Manchester and University of Surrey -UK-, Växjö University -Sweden-, ESADE-Business School -Spain-, among others).

He was founder member of the *Entrepreneurship Division* of ACEDE (Scientific Association of Economics and Management - Spain). He also was ECSB Board Member (European Council for Small Business and Entrepreneurship) (2001-2005) and participates actively at the INBAM (International Network of Business and Management Journals), AEDEM (European Academy of Management and Business Economics) and AEDIPE (Spanish Association of Human Resources Management), among other scientific organizations. Currently he is also a member of the Academy of Management (AoM), European Council for Small Business and Entrepreneurship (ECSB), International Council of Small Business (ICSB), Technology Transfer Society (T2S) and Triple Helix Association (THA). He was part of the organizing committee of several international conferences (RENT, IntEnt, INBAM, CIMAR, etc.). He was coordinator of the Postgraduate in Entrepreneurship (2007-2010) and subcoordinator of EDP (European Doctoral Programme in Entrepreneurship and Management) (2005-2009), IDEM (International Doctorate in Entrepreneurship and Management) (2010-2012) (UAB). He was also coordinator of the "Working Papers Series Publication" (2005-2014), Department of Business (UAB).

Nowadays, David works as a consultant in entrepreneurship and SMEs in many projects of the Catalan and Spanish Government, European Union, OCDE and the private sector, teaching several courses and seminars and giving advice in this area (innovation, new firm creation, corporate entrepreneurship, family firms, SMEs Management, etc.). He was Director of the Observatory for Entrepreneurship -SISDEC (2005-2009), member of the Entrepreneurial University Network -XEU- (2010- Present) and coordinator of the Observatory for university entrepreneurial activity -OBSEU- (2008- present). He is co-founder and Director of the Centre for University Entrepreneurship -CIEU-UAB- (2008- present).
