

International Tracks - Elective courses

The International Tracks Program offers the possibility of taking an extra elective subject each semester. When enrolling in the Track, choose one of the options we offer for each semester. If you don't want to take any subjects outside the Track, you can also check the "none" option.

The optional offer you will find when you enroll is:

Second Semester

February - June

- [Contemporary History of Eastern Asia since 1945](#)
- [Contemporary History of Europe since 1945](#)
- [Current History of the British Isles](#)
- [Introduction to English Literature](#)
- [Introduction to Social and Cultural Anthropology](#)
- [Introduction to the Philosophy of Language](#)
- [Theory of Democracy](#)
- [World Economic History](#)
- [None](#)

If you click in each subject, you will find their **Study Guide**.
