

Title	Social Transformation and Occupational Therapy
Blended Intensive Programme ID / BIP-code	2025-1-BE02-KA131-HED-000316380-4

Top of Form

Priorities Addressed	Inclusion and diversity
Objectives and Description	The primary focus of this programme is on the changes in urban environments and their consequences for social transformation. Students analyse the complexities of these societal shifts through an occupational-based lens.
Methods and outcomes	The participatory fieldwork is an specific method of empathising with the actors and stakeholders in our society and offers a real-life confrontation and exploration on hyperdiversity, poverty, deprivation, social cohesion, social transformation through occupation, occupational justice, mutli-faith, social capital, gentrification, etc ..
Field of Education	0910 (health, not further defined)
Level of Study	First Cycle / Bachelor's or equivalent level (EQF-6)
Number of ECTS Credits Awarded	3

Physical start date	08/12/2025
Physical end date	12/12/2025
Virtual Component Timing	Before
Virtual Component Description	The core element in the preparatory assignments is to explore the key concepts needed to work in the community project in Ghent. A second important part is to start from our own living environment and socio-ecosystem and discuss this internationally from a personal an professional perspective.
Country of Venue	Belgium
City of Venue	Ghent
