PRE-ENROLMENT

From **3rd to 21st July 2019** you need to log in the pre-enrolment application in order to select the subjects that you wish to attend in the Faculty of the Translation and Interpreting. (Subjects at other faculties on the campus must be pre-enrolled in September).

[Access to the pre-enrolment application](#)

Please read the instructions for this application, which will guide you through the steps you need to follow in order to select your subjects.

[User guide](#)

Before selecting the subjects you are interested in, you will have to upload some documents:

- Passport or identification card
- Transcript of records of your current studies in your home university.
- It is optional (but highly recommended) to upload a certificate stating your level of Spanish and/or English (minimum B2 MCER) because these documents are compulsory if you want to attend any subject belonging to the Faculty of Economics and Business.

Please check the accepted certificates in the user guide of the pre-enrolment application:

Once you have uploaded the documents required, Gestió Acadèmica will validate them and will give you access to select the subjects. Without the approval of the documents, you will not be able to select any subject.

The subject selection has two steps:

- First, you will need to make an appointment to formalize your enrolment at Gestió Acadèmica of the Faculty of Translation and Interpreting (the enrolment dates are the 6th, 9th, 10th and 12th September 2019).
- Second, you will be able to select the subjects that you wish to enrol in our faculty (in the application you will be able to check the timetables and the syllabus of the subjects offered by the Faculty of Translation and Interpreting by clicking on the code of each subject). PLEASE BEAR IN MIND THAT THE TIMETABLES MAY CHANGE. PLEASE CHECK THEM TO FIND THE UPDATED INFORMATION ON:

[Timetables](#)

If you need help in selecting the subjects that you wish to take, you can ask for advice by e-mailing your academic coordinator. The coordinators' contact information is available at the end of this document.

Once you have completed your selection, Gestió Acadèmica will validate it. If we detect that you have pre-enrolled in a subject that does not fit your academic profile, we will inform you by e-mail.

Important information about the subjects:

- There are three groups of the subject “101283 Idioma catalán para traductores e intérpretes”:
 - Group 2 - ANNUAL (whole academic year)
 - Group 3 - FIRST SEMESTER
 - Group 4 - SECOND SEMESTER

You must pre-enrol in the group corresponding to your exchange period.
