

Regarding the presentation, the SH rules establish that the candidate has to give a personal presentation followed by a seminar on any subject that they deem fit.

The committee has agreed to provide the following suggestions:

Following the assessment criteria agreed by the commission, the presentation has to cover the following items (total time should not exceed 45 minutes):

- a. Accumulated merits (Recommended: 5-10 minutes)
- b. Intended plans related to the candidate's fit to the department, both in terms of teaching and research) (Recommended: Research plan 5-10 minutes / Teaching plan 5-10 minutes)
- c. Research seminar (Recommended: 20-25 minutes)

After the presentation the committee may ask questions regarding the candidate's CV, the research and/or teaching plans, the research seminar, or any other aspect related to the offered position and the activities to be developed.
