

Resolution of the Autonomous University of Barcelona on June 15, 2018, which approves and makes public the final list of admitted and not admitted candidates to the call selection process for hiring teaching and research staff in the category of tenure-eligible lecturer for a temporary period within the framework of the Serra Húnter Plan.

According to the stipulations in point 4.1 of the call selection process for hiring teaching and research staff within the framework of the Serra Húnter Plan, approved by the resolution of April 20, 2018, published in the DOGC of May 8, 2018.

I RESOLVE:

To approve and make public the final list of admitted and not admitted candidates, including the reasons for non-admission, from among the people who applied to the call selection process for hiring teaching and research staff in the category of tenure-eligible lecturer for a temporary period within the framework of the Serra Húnter Plan.

To challenge this resolution, the interested parties can lodge a complaint with the rector in a period of ten working days from the day after the publication of this resolution, or amend, in the same period, the reason for non-admission. If the issues are not amended, the relevant parties will be considered to have withdrawn their request. To challenge the resolution of these complaints, it is possible to lodge an appeal in the period stipulated in article 112 of Law 39/2015, of October 1, on the Common Administrative Procedure of Public Administration.

According to the provisions in article 45 of Law 39/2015, of October 1, on the Common Administrative Procedure of Public Administration, with the publication of the suitable resolutions on the university website, the interested parties are considered to have been duly informed, and the period for lodging any possible complaints or appeals begins.
