- Once inside the enrollment process, you will see that it is divided into **five steps**:

First: My personal details

- In this first section, you must review the personal information provided during pre-registration and complete any missing details. You must also accept the commitment regarding the right to privacy and the recognition of intellectual authorship. If you click on **"Important information about"**, a window containing the text of the commitment will open. After reading it, you may accept it and the window will close automatically, leaving the checkbox marked.

Information important about:

- The right to the privacy of the students, teachers and administration staff and services of the UAB.
- The right to the recognition of intellectual authorship.

- By selecting "Read to accept", a window containing the information that you must read will open. Once you close the window, you will be able to tick the "Accept" box.
- You must then indicate whether or not you authorize receiving information from some UAB entities. All questions must be answered.
- If you are entitled to free enrollment because you have a disability degree of 33% or higher, you may authorize UAB to check this information directly with the regional administration. This will make it unnecessary for you to submit supporting documentation:

Do you authorise us to interoperate your disability data for the purpose of registration fee exemption?

[More information](#)

☐ Yes, I accept

☐ No, I do not accept

This authorization allows the Administration to access the data without having to submit the corresponding documentation.

If you accept you will authorise the Universitat Autònoma de Barcelona to consult and obtain the documents produced by or in the power of other authorities with information on disabilities, for the purpose of effecting exemption of the registration fee for people with a disability of 33% or more.

You may withdraw your consent at any time (Autoserveis Sigm@-Mi perfil) and exercise the other rights recognised by the Data Protection legislation with regard to the owners of the data.

Fourth: Payment Information

This section contains all information related to enrollment payment.

>>Application of Discounts: In this field, you must indicate whether you are entitled to any discount or tuition exemption (large family, single-parent family, disability, victims of terrorism, or victims of gender-based violence). When selecting "Apply Discount", two boxes will appear, one showing the discounts available to you (those already documented and validated by Academic Administration). Another showing the discounts selected for application. Any discount displayed in the "Available" box must be moved to the "Selected" box using the arrow. If you qualify for more than one discount, all applicable discounts must be selected, one by one.

>>Scholarship Type: If you wish to enroll as a conditionally eligible scholarship holder, you must select "General/Mobility Scholarship" in this field. This option is available only if you meet the eligibility requirements. Otherwise, you must enroll under "No Scholarship" and pay the enrollment fees. If a Ministry scholarship application is later approved, the corresponding amount will be refunded.

Please note that enrolling as a scholarship applicant is not the scholarship application itself. The scholarship application must already have been submitted through the Ministry or AGAUR website within the established deadlines.

If you hold another scholarship agreement recognized by UAB (ANID, BECAL, etc.) and have submitted the relevant documentation to Academic Administration, you may select it from the drop-down menu.

>>Single Payment or Installments You may choose to pay the enrollment fee in a single payment or in three installments. The installment option is only available if you are not enrolling as a conditional scholarship holder and do not qualify for free enrollment.

>>Payment Method

You may choose one of the following payment methods:

- **Direct Debit:** If you choose this option, you must provide the IBAN account number and the full name of one of the account holders. This method allows you to pay in three installments.
- **AGAUR Loan** This loan allows you to pay your enrollment fees in monthly installments. If interested, consult the conditions on the AGAUR website.
- **Credit/Debit Card Payment:** If you decide to pay by card ("**POS Payment by Card**"), the full amount must be paid in a single transaction. Before completing enrollment, you must provide your bank card details

>>>Voluntary Contributions and Additional Services

- **Contribute €18 to solidarity and cooperation initiatives:** select Yes or No.
- **Registration with the UAB Physical Activity Service (SAF):** select Yes or No.
- **Supplementary insurance:** do not select this option. It is only used by students who later undertake extracurricular internships.
- **Other fees:** do not select any additional fees unless you were admitted with a **non-EU foreign degree**, in which case you must select the foreign degree equivalency fee.
