COMPLETE
YOUR SKILLS

UAB Barcelona Summer School

Each summer, UAB holds the UAB Barcelona Summer School, where undergraduate subjects are taught in a range of different fields. Courses are taught 100% in English. It is usually held in two different periods: June-July and July-August.

■ www.uab.cat/barcelona-summer-school

Study Abroad in Barcelona

Specific programmes for international students: selected courses, pre-established programmes and a tailor-made programme.

■ www.uab.cat/study-abroad-programmes

MOOC

More than 30 MOOC programmes, more than 1,000,000 students worldwide.

■ www.uab.cat/en/mooc

UAB Language Service

Catalan and Spanish courses are available before the academic year begins and also during the term.
