

BECOME AN AGENT OF CHANGE!

Join the Erasmus+ Blended Intensive Programme Emotional Intelligence & SDGs in Action

#edu4sdgs

 Lodz University of Technology,
Poland

11-15 May 2026

 3 ECTS

Join our unique Erasmus+ BIP in Łódź, a vibrant academic city known as the 'City of Four Cultures'. Creative, diverse, and student-friendly, Łódź is the perfect place to exchange ideas, challenge perspectives, and grow as a future agent of change.

What you will do

- Design your own SDG action projects and micro-interventions
- Practice empathy-driven communication and leadership
- Debate ethical challenges and sustainability dilemmas
- Facilitate real-life SDG missions in the city
- Collaborate with international peers both on-line and on-site in Łódź to create impact

What you will gain

- Hands-on experience bringing SDGs to life
- Confidence as a change-maker in your community
- Practical skills in communication, teamwork, and leadership
- 3 ECTS for your academic record
- The chance to discover Łódź, a vibrant student city

Join us and turn ideas into impact!
