In this reading group we will research and discuss the issue of introspection. To this end, we have selected chapters from the collected volume *Introspection and Consciousness* (OUP), edited by Declan Smithies & Daniel Stoljar at 2012.

We will meet on Fridays every three weeks in the seminar room B7/113. The proposed reading list and session dates are the following.

### Reading list

1st week 13/11/15: '**Self-intimation and Second-order Belief**', Sidney Shoemaker (section III: Constitutivism).

2nd week 04/12/15: '**A Simple Theory of Introspection**', Declan Smithies (section III: Constitutivism).

3rd week 15/01/16: '**Renewed Acquaintance**', Brie Gertler (section II: Theories of Introspection).

4th week 05/02/16: '**On the Phenomenology of Introspection**', Charles Siewert (section II: Theories of Introspection).
