If you do not have a NIU (university identification number) from the UAB, you must obtain it at <https://sia.uab.cat>, within the *Pre-registration option for official master's degrees without a NIU*, as it is essential to formalize your pre-registration and registration.

For some degrees you must have paid a pre-registration fee to be able to access the process. This information is available on the website of each Master's degree course.

To register for a Master's degree, you need to have pre-registered and been accepted on the course. You can see the pre-registration process for Master's degrees here ([Video link](#)).
