# MISOCHANGE Winter School

Generations, Migrations, and Identities

2nd Edition

From 12 to 23 January 2026

Trento, Italy

2-week interdisciplinary Winter school for understanding, in a comparative view, the evolution of international migration.

The driving force of the of the winter school will be a challenge-based activity in which the participants will be called to reflect on how can cities foster meaningful inclusion for migrant youth. Participants will have a chance to use creative tools, such as digital/visual storytelling, video-making, photo-voicing, soundscapes, walk-along-interviews and many others.

## TARGET

**Admission reserved only to students coming from UniTrento partner universities.**

Senior bachelor's degree students (who have finished the 2nd year) and master's degree students from any background related to sociology, geography, anthropology, political science, social science, demography, international relations, or similar, with an interest in human mobility.

Participants should be confident in English-language use (B2).
