

## Criteria for authorising the extraordinary extension (art. 122) by the CAPD of Economics, Business and Organization (DEMO)

### Regulation:

#### **Article 122. Pròrroga dels ensenyaments de doctorat**

*(Article modificat per acord de Consell de Govern de 12 de març de 2024)*

Si una vegada transcorregut el termini establert a l'article anterior no s'ha presentat la sol·licitud de dipòsit de la tesi doctoral, la CAPD pot autoritzar la pròrroga d'aquest termini per a un any, prèvia sol·licitud de l'estudiant de doctorat.

### Documentation to be submitted by the student

- Student's formal request.
- Favourable report from the thesis supervisor.
- Favourable report from the thesis tutor.
- A detailed and specific timeline of the pending tasks to be completed during the extension period.
- Documentation accrediting the situation invoked by the applicant.

### CAPD Resolution Criteria

- Favourable or unfavourable assessment provided by the thesis supervisor and/or tutor.
- Feasibility of the timeline proposed by the applicant.
- Level of achievement of the commitments established in previous evaluations and in the first extension, where applicable.
- Existence of duly justified reasons, related to unforeseen or unexpected circumstances that have affected the normal development of the doctoral research.
