

# Specialized Seminars

2023-24

Department of  
Chemistry

Student of the PhD Program in  
Chemistry:

*This specialized seminar is part of the activities organised for PhD students. Attendance is recommended. Students must attend at least 30% of the seminars organized during the academic year.*

**21<sup>st</sup> of May 2024 at 15 h**

**Room “Josep Vendrell i Roca” (room C0/-140.1)**

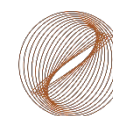

**Faculty of Sciences**

**Dr. María González  
Esguevillas**

**Principal Scientist at Pfizer  
Groton (Connecticut, US)**

***Process Chemistry at  
Pfizer:  
“Ibuzatrelvir End-Game:  
Optimization and  
Synthesis. From  
Discovery to Early  
Campaigns”***

**Facultat  
de Ciències  
UAB**

**UAB**  
Universitat Autònoma  
de Barcelona
