I have read the biological laboratory's safety regulations

The processing of your data does not involve automated decision-making or the creation of profiles for the purpose of predicting personal preferences, behaviors, or attitudes. You may exercise your rights of access, rectification, erasure, objection, restriction of processing, and portability by sending your request to the data controller, Genoveva Sánchez Martínez, Head of the Department of Economics and Finance at the Autonomous University of Barcelona, at Building A, Plaça Acadèmica, 08193. Email: a.economia@uab.cat

You can obtain additional and detailed information on the processing of your personal data at the following link: https://www.uab.cat/doc/economia_proteccio_dades

By signing this document, I confirm that I have read and agree to the general regulations on biosafety in the laboratory, and that they must be complied with.
