**LINE 7:**     *Research in education through the body and the arts*

The achievement of the objectives of the doctorate study by the students will be accredited by the oral presentation (15 minutes) of an ANNUAL REPORT by the PhD student to the Follow-up Commission appointed for the purpose and constituted by 3 professors from the ambit.

The emphasis of the content of the follow-up report in each of the years will be different. The planned sequence (guidance) for each year is as follows:

1. First year: presentation of the thesis project.

Other documents: Director's report, Document of Activities carried out.

2. Second year: presentation of progress.

Other documents: Director's report, Document of Activities carried out.

3. Third year: presentation of provisional results.

Other documents: Director's report, Document of Activities carried out.

The Commission will issue recommendations and suggestions related to the thesis research and will propose, or not, that the student access the following year of the thesis, delivering a report to that effect.

*1. DOCTORAL ANNUAL REPORT*

First year: Presentation of the doctoral thesis project (15-20 pages)

- Provisional title
- Introduction
- Formulation and foundation of the problem that is proposed to investigate
- Research questions and objectives

- Theoretical framework of reference
- Methodological design and justification.
- Work plan (schedule).
- Bibliographic references
- Dissemination actions

In the other years, a brief report (7-10 pages) summarizing the progress made during the corresponding year will be submitted to the Monitoring Committee. These two reports (in addition to the presentation of the progress and the results respectively) must include:

- Training activities
- Changes in the research plan
- Obstacles and resolution

## *2. DIRECTOR'S REPORT*

The thesis supervisor will endorse this report by means of a written document specifying his agreement with the development of the work. The delivery of this report will be made 7 days before the oral presentation.

## *3. EVIDENCE OF TRAINING ACTIVITIES AND OTHER ACTIVITIES OF THE PROCESS*

With the annual report, of free format, the vouchers of the training activities carried out and other activities likely to be considered for doctoral training, such as papers presented at congresses, publications, etc., must be presented. The director (directors) of the thesis will endorse the documentation presented. These evidences must be available on the doctoral intranet and validated by the director and / or tutor.

**Annual Report Delivery:** Delivery of the Annual Report: 15 days before the oral presentation, it must be sent to the field coordinator (gemma.paris@uab.cat) who is responsible for sending it to each committee.

**Delivery Report of the thesis supervisor:** 5 days before the oral presentation, to the field coordinator (gemma.paris@uab.cat) who is responsible for sending it to each committee. Link: [l'informe del director](#)
