

RESEARCH LINE 9.- Education and work: Training of professional trainers, programme evaluation, innovation in teaching, social and occupational integration, personal guidance and development, inclusive schooling.

General process

The achievement of the objectives of the Doctorate Program will be proved with the oral presentation (15 minutes) of an **ANNUAL REPORT by the doctoral student**, in front of the Follow-up Commission appointed for this purpose and constituted by 3 professors in the field.

The activity of the Commission is not carried out for the purpose of qualification. It will issue recommendations and suggestions related to the thesis research and will propose or not, with a report, that the doctoral student pass to the following year of the thesis.

The planned sequence will be:

1. First year: presentation of the thesis project.
2. Second year: presentation of progress.
3. Third year: presentation of provisional results.

Documents to submit

ANNUAL REPORT (Dossier in triplicate) with the following sections:

1. Specification of the founded doctoral thesis project (first year 30 pages)

- Title, name of the doctoral student, name of the thesis direction, program and line in which the thesis is registered
- Formulation and foundation of the problem that is proposed to investigate
- Questions and research objectives
- Theoretical framework
- Methodological design and justification
- Specification of the Work Plan and / or progress / provisional results.
- References
- List of evidence of the of the training activities and other activities of the process (tutoring minutes, certificates of attendance, certificates, ...)

2. Director's Report

Model informe (You can find the report model on the Virtual Campus. Specifically in the Moodle Classroom: "Communication Space Doctorate in Education-Teachers" In the Forms Section: Report Model Director-Annual Monitoring)
