</tr>
</tbody>
</table>
• Reflect on classroom experiences in order to innovate and improve teaching work. Acquire skills and habits for autonomous and cooperative learning and promote it among pupils.
• Work in teams and with teams (in the same field or interdisciplinary).

Learning Outcomes

1. Acquire criteria and resources to advise and intervene at the primary education stage.
2. Be open to signs of aesthetic, social and cultural changes that make it possible to avoid aesthetic or didactic stereotypes.
3. Demonstrate competence in understanding and disseminating the various manifestations of art in different communicative and multicultural formats.
4. Displaying creative and reflective capabilities in the implementation of art projects.
5. Express critical and objective arguments with respect to the functions and tasks performed by social institutions.
6. Know in depth about suitable procedures and techniques for artistic practice.
7. Understand the right digital techniques for the practice of art.

Content

Cultural field

1.1. Brief contextualization of audiovisual languages.
1.2. Display works of artists using different audiovisual languages as a means of expression.
1.3. Visit photography exhibitions and video art

Productive field

2.1. Learning resources photographic and audiovisual language
2.2. expressive possibilities of audiovisual languages: photo and video
2.3. art projects in both languages. Contemporary Photography and values in school project

Applicative field

3.1. Resources to work audiovisual languages at school: Educational departments of museums, cultural centers, Schools of Photography, associations, ...
3.2. Interdisciplinary projects

Methodology

The methodology will be framed within the dynamics of the performnativa education, including:

Using audiovisual languages as a fundamental element of communication during the course.

Exemplifying each teaching process.

Create audiovisual productions that interrelate poetic art, audiovisual practice, teaching and theory requirements.

Activities
Assessment

Cultural Sphere (20%)

Individual work: reflection text or picture from a photo exhibition visit / Video

Scope Production (40%)

Group work: Artistic projects: Photography and Video + short portfolio process work. Exhibition of final works

Other individual work and group knowledge and experimentation with the language of photography and video.

Scope of educational interventions (20%)

Individual work: Acquire criteria and resources to assess and intervene at the stage of primary education. Finding educational resources from audiovisual languages. + Text group: EA proposal and audiovisual languages at school

Portfolio (20%). Individual work

Minimum attendance: 80% classes

Reassessment: the student can choose to perform a specific job that the teacher will pose as a reassessment, which will cover the three blocks of the course

Teachers will consider linguistic communication skills of the student in all the works submitted and oral presentations of their projects.

assignatura will need to pass in a fifth grade
